1. ☒ The amendment filed on 19 December 2003 under 37 CFR 1.312 has been considered, and has been:

a) ☐ entered.

b) ☐ entered as directed to matters of form not affecting the scope of the invention.

c) ☐ disapproved because the amendment was filed after the payment of the issue fee.

Any amendment filed after the date the issue fee is paid must be accompanied by a petition under 37 CFR 1.313(c)(1) and the required fee to withdraw the application from issue.

d) ☒ disapproved. See explanation below.

e) ☐ entered in part. See explanation below.

The remarks accompanying the amendment fail to fully and clearly state the reasons on which reliance is placed to show:

(A) why the amendment to claims 1 and 6 is needed;

(B) why the proposed amended claims require no additional search or examination;

(C) why the claims are patentable; and

(D) why they were not presented earlier.

Furthermore, it is submitted that the deletion of "containing HF" appears to be inconsistent with Embodiments 1-6 which are drawn to waste water containing HF.
